## Text-based Questions

1. “The really tough times make us.” Daniel was made by the really tough times he went through. What did Daniel go through? How did he come out? Why do you think he turned out the way he did?
2. Why do you think God spoke through Nebuchadnezzar rather than through his prophets?

## Life-based Questions

3. Have you been disappointed by people in authority before? How did you respond? Did you turn your hope towards God? How would you respond the next time those in authority disappoint you?
4. How can the reality of God’s unstoppable kingdom make a difference in your life, especially during tough times?
