---

*How to use: These questions are not intended to be addressed in turn (unlike homework!) Pick one or two that are most relevant to you and share your thoughts.*

- 1) Share one lesson or insight that the Lord has blessed you with from the sermon.
  
- 2) Suggest one difference between punishment and discipline from God.
  
- 3) Why must there be consequences to our actions? Why can't God just forgive us and let us go?
  
- 4) What can you learn from the way David behaved after his sin is confronted?
